

# READYLIFT®

SUSPENSION INC.

**NEW LOCATION**

7490 Commercial Way in Henderson NV 89011

FOR IMMEDIATE RELEASE.

From ReadyLIFT Suspension Inc. Santa Ana, CA.

***ReadyLIFT® Suspension Inc. is proud to announce their relocation to Henderson, Nevada***

ReadyLIFT® will be officially opening the doors on a new state of the art 28,000 square foot facility on December 6, 2010. ReadyLIFT®, which was founded by President and CEO Scott Poncher in 2006, started in a very humble 1500 square foot facility in Costa Mesa, California. "We are happy with the progress we have made" says Poncher, "and we are so proud of our people and the reputation they have built for our company, but the best is yet to come."

ReadyLIFT's new building located in Henderson Nevada will allow more room for Inventory, Administration, Customer Service, Assembly and Sales. ReadyLIFT® is certain to provide the higher level of customer service that their customers have come to expect and the new facility allows for even greater customer service to meet the growing needs of the leveling and lift suspension market.

The new ReadyLIFT® Suspension, Inc. facility is located at 7490 Commercial Way in Henderson NV 89011. ReadyLIFT® Suspension, whose name has become synonymous with leveling and mild lift kit suspension systems, will continue to develop new and exciting lift products that consumers love to buy. The new distribution and assembly center gives ReadyLIFT® an industry-leading facility to provide superior service to the suspension market for many years to come.

All ReadyLIFT phone numbers and contact information will remain the same.

Please visit ReadyLIFT® at the 2010 SEMA show in booth 30123.
